**Come be a Scot for the Day!**

The Red Deer Highland Games have been held in Red Deer since 1947, and are known as the kickoff to the Highland Season in Central Alberta. The Highland Games are an integral part of our community identity and a well-loved event at the start of the summer.

The event continues to be hosted and organized by a team of dedicated and caring volunteers. There are numerous activities designed to create an exciting and fun day for those of Celtic Heritage, and for those who'd like to be!
